

## Recruitment Cards

### Front

### Back

Branch 8 is introducing the concept of "Recruitment Cards" for its members. The front and back of the Recruitment Card are illustrated above.

#### Replacement:

The Recruitment Cards are a replacement for the current SIR Cards that you give to individuals that may be interested in SIR Branch 8. These cards have been distributed to each member at some point in time (when you joined). They also have been referenced for several lunch drawings.

#### Use:

A Recruitment Card is to be given to an individual with whom you have interacted. They will have expressed an interest in Branch 8. Your spouse/partner may also provide a card to an individual with whom she has interacted.

#### Description – Front

The example has my name, phone number, and membership secretary email address. That information will be replaced with your data as follows:

SIR Branch 8 Business Card

[Sb8bc@hotmail.com](mailto:Sb8bc@hotmail.com)

You will request which data option (from Description section) that you would like included on your Recruitment Card.

Currently, the Membership Secretary will create the cards. Eventually, we will have another member who will create the cards. The Membership Secretary will continue to create the cards for the new members.

### Pickup

After the cards are printed, they will be available for pickup when you pick up your badge at the luncheon. The Recruitment Cards will be placed in an envelope that has the Member's name and Badge number written on it.

The member will be advised when the Recruitment Cards will be available for pickup. The member is requested to ask the Badge distributors for their Recruitment Cards when they ask for their Badge.

### Cost

All expenses for the creation and distribution of the Recruitment Cards to a member will be absorbed by the Branch as part of its annual dues allocation.

There will be no cost to any individual who is a member of Branch 8.
